You can contribute to your children's class by letting them bring anything that is related to the theme - objects (real or toys), DVD , books (fiction or non-fiction) etc .

2. ATTENDANCE & PUNCTUALITY

We have noted with concern that there a number of children coming to school after 8am. Children are expected to establish good habits of being punctual and coming to school every day. Any absence affects the child's learning / late arrivals disrupts teaching routines and so may affect the learning of others in the same class.

3. FRIENDLY REMINDERS

SET OF EXTRA CLOTHES

Please put a set of extra clothes in your child's bag. It has been noted that there are a number of children who are not having it in their bags. Children have incidents (urinate or spill water ,etc.) and need to change their clothes.

PLEASE USE THE SAFETY CARD

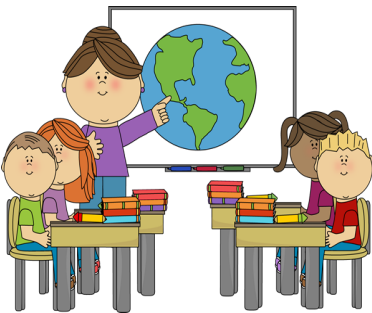

It has been noted that there are still some parents/guardians/drivers that do not use the safety card. This is a security measure to ensure the safety of your child.

Please use the card each time you fetch your child and display the card for the teacher to see. This will make it easier for the teachers to prepare your child and send him/her to the car to prevent a traffic jam.

Please inform the office if someone else is picking up your child. Even if the person has the safety card. We will not allow the child to leave especially if she/he shows distress until we have confirmation from parents.
