3. CONCERT TICKETS & TABLE SETTING

☀ We have some concerns based on previous feedback that certain individuals take more than one seat at the table without purchasing a ticket. We would like to once again remind all parents to bring along your tickets as proof of purchase.

☀ We are selling **ONE TICKET PER PERSON**. Each seat costs **RM50.00** and **RM60.00**. You do not need to purchase tickets for your children that are involved in the concert. However, if you wish to bring your other children (e.g. nieces, nephews or siblings) who are not involve with the concert and are **above the age of 4, you are required to purchase a ticket for them.** **Please be considerate to those who have purchased tickets so to prevent any misunderstandings.**

☀ **We would like to kindly remind all parents that this graduation is for all parents and close family members only, and therefore would like all parents to consider that the number of seats are limited. So if it's not necessary, please refrain from purchasing**

☀ Please note, parents whom have already purchased tickets that the table layout is subjected to change by the Putera Ballroom Management. Tickets will sell out fast. If additional tables are to be added then there is a probability that the table you have chosen may no longer be at that particular location. We apologize for any inconvenience caused.
